All persons whose names are recorded in the Register of Members or in the Register of Beneficial Owners maintained by the Depositories as on the cut-off date namely, 13th July, 2018 only shall be entitled to vote at the Annual General Meeting by availing the facility of remote e-voting or by voting through Ballot form at the General Meeting. If a person was a Member as on the date of dispatch of the notice but has ceased to be a Member as on the cut-off date i.e. 13th July, 2018 he / she shall not be entitled to vote. Such person should treat this Notice for information purpose only.

In compliance with the provisions of Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014 and sub clause (1) & (2) of Regulation 44 of SEBI Listing Regulations, the Company is pleased to provide e-voting facilities to its members in respect of the businesses to be transacted at the 92nd Annual General Meeting (AGM) of the Company.

The Company has engaged the services of National Securities Depository Ltd (NSDL) as authorised agency to provide the facility of casting the votes by the members using an electronic voting system from a place other than venue of the AGM ('remote e-voting'). It is clarified that it is not mandatory for a Member to vote using remote e-voting facility.

The facility for voting through ballot form shall be made available at the AGM for those Members who have not cast their votes earlier. The members who have cast their votes by remote e-voting prior to the AGM may also attend and participate in the AGM but they shall not be entitled to cast their vote again at the AGM.

Members can opt for only one mode of voting i.e. either by remote e-voting or by Ballot Form at the AGM. In case Members cast their votes through both the modes, voting done by remote e-voting shall prevail and the votes cast through Ballot Form at the AGM shall be treated as invalid.

Resolutions passed by Members through e-voting or through Ballot Form at the AGM, are deemed to have been passed as if they have been passed at the AGM.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. INDUSTRY STRUCTURE & DEVELOPMENT:

We all know that water is a prime natural resource and a basic human need for survival and existence. Indeed water is fundamental to our life. In view of the vital importance of water for human, animal & plant life, for maintaining ecological balance and for economic and developmental activities of all kinds and considering its increasing scarcity, the planning and management of this resource and its optimal economical and equitable use has become a matter of national importance.

Your Company has been in the business of manufacturing, laying and jointing of pipelines of various pipe materials such as RCC pipes, Steel pipes, Prestressed Concrete pipes, Penstock pipes, Bar Wrapped Steel Cylinder pipes (BWSC), Prestressed Concrete Cylinder pipes (PCCP) etc., which provide infrastructure facility and development for drinking water supply projects, irrigation projects, Hydro Electric Projects, Sanitation and Sewerage Systems. For over three decades as a part of nation building, your Company has also been undertaking infrastructure development programmes by way of executing on turnkey basis the combined water supply projects i.e. undertaking the complete job of water supply from source to distribution centers which apart from manufacturing, laying and jointing of pipelines included construction of intake wells, water sumps, water treatment plants, water pumping stations, installation of pumping machineries, electro-mechanical works, branch mains, ground level reservoirs, elevated reservoirs, leading to executions of complete systems for water supply to various towns and villages of India.

2. OPPORTUNITIES AND THREATS:

Water is one of the most crucial elements in our national developmental planning for the 21st Century. The proper management of our limited water resources will be essential to ensure food security for country's growing population and to eliminate poverty. (Water Policy and Action Plan for India 2020: An Alternative).

As per Indian Census 2011, the population of India was 121 crores. A scarce natural resource, water is fundamental to life, livelihood, food security and sustainable development. India has more than 18% of the world's population, but has only 4% of world's renewable water resources and 2.4% of world's land area. There are further limits on utilizable quantities of water owing to uneven distribution over time and space. In addition, there are challenges of frequent floods and droughts in one or the other part of the country. With a growing population and rising needs of a fast developing nation as well as the given indications of the impact of climate change, availability of utilizable water will be under further strain in future with the possibility of deepening water conflicts among different user groups. The main emphasis of the National Water Policy, 2012 is to treat water as economic good. Low consciousness about the scarcity of water and its life sustaining and economic value results in its mismanagement, wastage, and inefficient use, as also pollution and reduction of flows below minimum ecological needs. In addition, there are inequities in distribution and lack of a unified perspective in planning, management and use of water resources (Source:- National Water Policy 2012). As it is with the growing population demanding more food, more products and higher standards of living, the shortage of drinking water can only get worse. Thus there is a vast scope for improvement in infrastructural developmental activities in water

supply, drainage and sewerage schemes in sanitation Swachh Bharat segments leading to good scope for Company's manufacturing & contracting activities in this field.

Growth of population and the expansion of economic activities inevitably lead to increasing demands for water for diverse purposes i.e. domestic, industrial, agricultural, hydro-power, thermal power, navigation, recreation etc. Domestic and Industrial water needs have been largely concentrated in or around major cities, however the demand in rural areas is expected to increase sharply as the development programmes of State Governments to improve the economic conditions of the rural mass. Demand for water for hydro and thermal power generation and for other industrial uses is also increasing substantially. As a result water which is already scarce will become even scarcer in future. This underscores the need for the utmost efficiency in water utilisation and its distribution. Through awareness of efficient water supply system and water quality, we can keep our water supply adequate and provide clean & healthy water for our children. It is their fundamental right. Hence there is a good scope for many water supply projects coming up in near future and this auger well for your Company.

Increased competition from medium/large scale construction entities and availability of substitutes such as alternative pipe materials like Ductile iron pipes, Spirally welded steel pipes and H.D.P.E. pipes are perceived as one of the threat / competition to the Company. Another cause is prices of key raw materials namely steel, steel wires, HT wires and cement, which has remained volatile and uncertain during last year under review.

3. SEGMENT-WISE ACTIVITY:

The Company is considered a pioneer in the field of water supply industry; it is in this line for last 91 years. The Company's presence is there in almost all water supply related activities, viz. Urban & Rural Water Supply, Penstock for Hydro Power Generation, Tunnel Lining, Large diameter Irrigation pipelines, Head Works including pumping machinery, Treatment Plants, Overhead Tanks and other allied Civil Construction. The Company also supplies Concrete Railway sleepers to Indian Railways. The segment wise report is as under:

4. Outlook:

During the last decade, Urban area limits are spreading wider and wider to peripheral areas, but at the same time, the basic amenities like Water Supply, Drainage, etc are not keeping pace with the requirement of more and more urbanization. Apart from the above, most of the rural areas in India fall short of access to drinking water.

Government of India, State Governments and local bodies are making best efforts to supply safe drinking water. Hence number of water supply schemes are under anvil. Further to make cities and rural areas under more hygienic conditions and endeavour towards Swachha Bharat number of sewerage disposals and drainage schemes are also coming up.

Considering the above factors, outlook for the Company in water supply, sewerage and drainage segments is encouraging and good.

5. Risks & Concerns:

The Company's activities & prospects largely depend on the implementation of various water supply related projects undertaken

by various States / Central Government Agencies. The company is doing business with various State Governments & it depends upon their policy on approval of finance & allocation of funds as well as their ability to raise funds to undertake such water supply projects amongst various infrastructure related projects being implemented by them. Adverse changes & lack of funds delays the work resulting in higher cost & can affect the business prospects of the industry & the company. Severe competition from the manufacturers of alternative pipes like Ductile Iron Pipes, PVC Pipes, HDPE Pipes, and Spirally Welded Steel Pipes can affect company's prospects.

In the year under review, due to imposition of minimum import price policy on imported steel products by Central Govt., the prices of imported steel became costly compared to local products. Steel manufacturers in China, halved their production capacities which resulted in shortage of steel supply in international market. In domestic market few of the steel producers have come under Insolvency and Bankruptcy Code thereby resulting in reduction in output of steel and the supply. Moreover overseas buyers offering better prices than domestic buyers to Indian Steel producers. Therefore, domestic steel producers are producing and selling steel products as per global demands. This situation has created shortage of steel products in the domestic market and there is abnormal rise in price of steel.

In the financial year under review, prices of HR Coils have gone up by 24%, M S Wires by 17%, and P C Wires by 35%. The prices of bought out pipes like DI pipes have also gone up by 9%, HDPE Pipes by 16%, PVC Pipes by 8% and Cement prices by 6%. This has resulted in reduced margin and may affect Company's profitability.

6. Internal Control Systems:

The Company has adequate internal control procedures commensurate with its size and nature of business that ensures control over various functions of the organisation. The internal control system provides for guidelines, authorisation and approval procedures.

The internal audit reports, post audit reviews are carried out to ensure compliance with the Company's policies and procedures.

7. Financial Performance with respect to Operational Performance:

For the year ended 31st March 2018, the revenue from operations of the Company was ₹ 1,55,138.25 Lakhs as compared to last year's revenue from operations of ₹ 1,81,250.49 Lakhs.

The profit before tax was ₹ 10,038.21 Lakhs as against ₹ 15,300.50 Lakhs achieved last year. The order book position was ₹ 3,205.63 Crores as on 15th May, 2018 as compared to ₹ 2,655.91 Crores as on 15th May 2017.

8. Human Resources and Industrial Relations:

The Company has 1433 permanent employees as on 31st March, 2018 working at various locations such as Factories / Projects / Head Office and Research & Development Division.

The Management has successfully negotiated and settled the demands of workmen working at its factories at Dhule & Kekri.

During the year the Company had organised training programmes on Industrial Safety, Health, Good Housekeeping for its workers/ employees at Dhule, Miraj, Kanhan and also in Mumbai which created awareness about safety, health and importance of food housekeeping amongst the employees working with Company and the contractors.

Further the Company had organised training programmes at R&D Divn., Mumbai and Indore for newly recruited Engineers to apprise them about Company's policies and procedures, products and pipe laying work being carried out at project sites. Similar programme was also organised at Chennai, Bhopal & Mumbai for Sr. Engineers and Sr. Executives to apprise them about present marketing scenario, tender costing, safety measures to be taken while laying pipes at site etc.

The industrial relations with the workmen working at various units of the Company were by and large remained peaceful and normal.

9. Cautionary Statement:

Statements in this Management Discussion and Analysis Report describing the Company's objectives, projections, estimates and expectations may be 'forward looking statements' within the meaning of applicable laws and regulations. Actual results might differ substantially or materially from those expressed or implied. Important developments that could affect the Company's operations include a schedule of implementation of various water supply related projects undertaken by various States / Central Government Agencies, significant changes in political and economic environment in India, exchange rate fluctuations, prices and availability of key raw materials like steel and cement, tax laws, litigations, labour relations and interest costs, etc.

Total Comprehensive Income carried out to Other Equity	6,698.18	9,952.19

PERFORMANCE REVIEW:

Your Company's operations of its various projects under execution continued to be profitable, with continued efforts to reduce costs and improve yield as also bettering the productivity levels.

During the year 2017-18 under review, the Revenue from Operations is less at ₹ 1,55,138.25 Lakhs as compared to ₹ 1,81,250.49 Lakhs of the previous year. The profit before tax for the year at ₹ 10,038.21 Lakhs after considering sales tax demands of prior years amounting to ₹ 3,033 Lakhs was less as compared to ₹ 15,300.50 Lakhs of the previous year. The profit after tax for the year at ₹ 6,606.27 Lakhs was less as compared to ₹ 9,967.64 Lakhs of the previous year. This was due to less turnover because of less order inflow and some disruptions due to GST introduction.

No material changes and commitments have occurred after the close of the financial year till the date of this Report, which affect the financial position of the Company.

DIVIDEND:

Your Directors are pleased to recommend a Dividend of ₹ 3.40 per equity share of face value of ₹ 2/- each (170%) for the financial year ended 31st March, 2018 on paid-up share capital of the Company as against ₹ 3.40 per equity share of face value of ₹ 2/- each for the previous financial year ended 31st March, 2017. The Dividend, subject to the approval of the Members at the 92nd Annual General Meeting convened on 20th July, 2018 will be paid on or after 24th July, 2018 to those Members whose names appears in the Registered of Members as on the date of Book Closure i.e. Tuesday, 10th July, 2018. The Dividend of ₹ 3.40 per equity share of ₹ 2/- each together with Dividend Distribution Tax will amount to ₹ 1,985.79 Lakhs.

SHARE CAPITAL:

During the year, the Company has increased the Authorised Share Capital of the Company from ₹ 10,00,00,000/- (Ten Crores) divided into 5,00,00,000

Equity Shares of ₹ 2/- each to ₹ 20,00,00,000/- (Twenty Crores) divided into 10,00,00,000 Equity Shares of ₹ 2/- each. The Issued, Subscribed and Paid up Capital stood at ₹ 968.94 Lakhs as on March 31, 2018 consisting of 4,84,47,170 Equity shares of ₹ 2/- each.

TRANSFER TO RESERVES:

The Company do not propose to transfer any amount to General Reserve.

FINANCE:

During the year under review, liquidity position of your Company was maintained satisfactorily and optimum utilization of financial resources was achieved.

The Company had a cordial relationship with its Bankers and trade creditors and has been prompt in meeting obligations towards them.

The Company continued to enjoy high credit rating from the External credit Agency and Banks during the year under review.

INCOME TAX ASSESSMENT:

The income tax assessment of your Company has been completed till assessment year 2015-16. The appeals filed by the Company, against the assessment orders for various financial years are pending with the Income Tax Appellate Authorities and Bombay High Court. The amount of disallowance involved in various appeals is ₹ 18,382.03 Lakhs. The major dispute is with regard to the execution of eligible infrastructure projects of water, sewerage and irrigation. Out of the total disallowance the amount of ₹ 17,996.21 Lakhs pertains to the disallowance made u/s 80IA of the I.T. Act, 1961. The balance amount of ₹ 385.82 Lakhs pertains to other items of disallowance such as sec. 14A disallowance, land valuation of Wadala property. The necessary provision for tax of ₹ 6,221.31 Lakhs has been made in the accounts except for the disallowance made u/s 14A, as the same disallowance has been deleted in the previous years by the First and Second Appellate Authority.

BOARD'S REPORT

The appeals filed by the Income Tax Department are pending in the Bombay High Court for A.Y. 2003-04, A.Y. 2008-09 & A.Y. 2010-11. The issue involved for AY 2003-04 is claim of deduction u/s 80IA allowed by the Income Tax Appellate Tribunal, amounting to ₹ 1068.27 Lakhs. However due to subsequent retrospective amendment made to sec. 80IA by Finance Act, 2009, as an abundant caution provision for the basic tax liability of ₹ 392.59 Lakhs on the claim of ₹ 1068.27 Lakhs has been made in the accounts, hence there is no tax liability. The issue involved for the AY 2008-09 & A.Y. 2010-11 is with regard to the claim of disallowance of expenses u/s 14A of the I.T. Act, 1961. The Income Tax Appellate Tribunal had deleted the disallowance made u/s 14A of the I.T. Act, 1961. In case if this disallowance is confirmed by the Bombay High Court then the Company will have to make provision of tax of ₹ 31.78 Lakhs.

FACTORIES:

The total number of factories of the Company as at the end of the year stands at 21.

INDEPENDENT AUDITOR'S REPORT

To The Members of
The Indian Hume Pipe Company Limited

Report on the Ind AS Financial Statements

We have audited the accompanying Ind AS financial statements of The Indian Hume Pipe Company Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2018, Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive loss, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order issued under section 143(11) of the Act.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by

the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Other Matters

The comparative financial information of the Company for the year ended 31st March 2017 and the transition date opening balance sheet as at 1st April 2016 included in these Ind AS financial statements, are based on the statutory financial statements prepared in accordance with the Companies (Accounting Standards) Rules, 2006 audited by the predecessor auditor whose report for the year ended 31st March 2017 and 31st March 2016 dated May 18, 2017 and May 19, 2016 respectively expressed an unmodified opinion on those financial statements, and have been restated to comply with Ind AS. Adjustments made to the previously issued said financial information prepared in accordance with the Companies (Accounting Standards) Rules, 2006 to comply with Ind AS have been audited by us.

Our opinion on the Ind AS financial statements is not modified in respect of this matter.

Opinion

In our opinion and to the best of our information and according to the explanations given to us the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Ind AS and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report, to the extent applicable that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.
 - e) On the basis of the written representations received from the directors of the Company as on March 31, 2018 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164(2) of the Act.

INDEPENDENT AUDITOR'S REPORT

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements
 - ii. The Company has made provision, where required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts. The company does not have any derivative contract as on reporting date.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **The Indian Hume Pipe Company Limited** (“the Company”) as of March 31, 2018 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the “internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2 under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

- (i) a. The Company has maintained proper records showing full particulars, including quantitative details and situation of the property, plant and equipment.
- b. The Company has a program of verification of Property, Plant and Equipment to cover all the items in a phased manner over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- c. According to the information and explanations given to us and the records examined by us and based on the examination of the registered sale deed and factory licenses provided to us, we report that, the title deed comprising the immovable property of land and buildings is held in the name of the Company as at the balance sheet date. Immovable properties of land and buildings whose title deeds have been pledged as security for borrowings are held in the name of the Company based on the confirmations directly received by us from lenders.
- (ii) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals. Material discrepancies noticed on physical verification during the year have been properly dealt with in the books of account.
- (iii) The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the Register maintained under Section 189 of the Companies Act, 2013.
- (iv) The Company has not granted any loans, made investments or provided guarantees and hence reporting under clause (iv) of the CARO 2016 is not applicable.
- (v) According to the information and explanations given to us, the Company has not accepted any deposit during the year. In respect of unclaimed deposits, the Company has complied with the provisions of Sections 73 to 76 or any other relevant provisions of the Companies Act, 2013. According to the information and explanations given to us, no order has been passed by the Company Law Board or the National Company Law Tribunal or the Reserve Bank of India or any Court or any other Tribunal on the Company.
- (vi) We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) According to the information and explanations given to us and according to the books and records as produced and examined by us, in our opinion:
- a. The Company has been generally regular in depositing undisputed statutory dues including Provident Fund, Employees’ State Insurance, Income Tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, Cess, Goods and Service Tax and other material statutory dues as applicable to it with the appropriate authorities.
- There were no undisputed amounts payable in respect of Provident Fund, Employees’ State Insurance, Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, cess and other material statutory dues in arrears as at March 31, 2018 for a period of more than six months from the date they became payable.
- b. As at March 31, 2018, the following are the particulars of dues on account of Income Tax, Sales Tax, Service Tax, Custom Duty, Excise Duty and Value Added Tax matters that have not been deposited on account of any dispute :

Name of Statute	Nature of Dues	Forum where Dispute is pending	Period to which the Amount Relates (FY)	Gross Amount (Rs. in Lacs)	Payment under Protest (Rs. in Lacs)	Amount involved (Rs. in Lacs)

		Appellate Authority-Tribunal Level	2011-2012	3.68	-	3.68
		Appellate Authority-Commissioner	2005-2016	55.49	-	55.49

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

- (viii) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings to financial institutions, banks and government. The Company has not issued any debentures.
- (ix) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans and hence reporting under clause (ix) of the CARO 2016 Order is not applicable.
- (x) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company by its officers or employees has been noticed or reported during the year.
- (xi) In our opinion and according to the information and explanation given to us, the Company has paid / provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act, 2013.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- (xiii) In our opinion and according to the information and explanation given to us the Company is in compliance with Section 177 and 188 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.
- (xiv) During the year the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under clause (xiv) of the Order is not applicable to the Company.
- (xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or directors of its subsidiaries or persons connected with him and hence provisions of section 192 of the Companies Act, 2013 are not applicable.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

NOTES TO STANDALONE FINANCIAL STATEMENT FOR YEAR ENDED MARCH 31, 2018

Corporate Information

The Indian Hume Pipe Co. Ltd. ("the Company") is a public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. The Company is in the business of manufacturing, laying and jointing of pipelines. The Company has also been undertaking infrastructure development programmes by way of execution on turnkey basis the combined water supply projects. The company also manufactures and supplies Concrete Railway Sleepers to Indian Railways.

Its shares are listed on two recognised stock exchanges in India - the Bombay Stock Exchange and the National Stock Exchange. The registered office of the Company is located at Construction House, Walchand Hirachand Road, Mumbai - 400 001, India.

The financial statements of the Company for the year ended March 31, 2018 were approved by the Board of Directors and authorised for issue on May 23, 2018.

1 Significant Accounting Policies

(a) Statement of compliance and basis of preparation and presentation

The financial statements of The Indian Hume Pipe Company Limited ('the Company') have been prepared in accordance with Indian Accounting Standards as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under Section 133 of the Companies Act, 2013 (the 'Act') and other relevant provisions of the Act.

The Company's financial statements upto and for the year ended 31st March, 2017 were prepared in accordance with the Standards as per Companies (Accounting Standards) Rules, 2006, notified under Section 133 of the Act and other relevant provisions of the Act which was the previous GAAP (IGAAP). These are the Company's first standalone financial statements prepared in accordance with Indian Accounting Standards (Ind AS). The Company has applied Ind AS 101, First-time Adoption of Indian Accounting Standards for transition from IGAAP to Ind AS. An explanation of how transition to Ind AS has affected the previously reported financial position, financial performance and cash flows of the Company is provided in note 2.46.

(b) Basis of measurement

The financial statements have been prepared on the historical cost basis except for certain financial instruments which are measured at fair values.

(c) Measurement of fair values

A number of Company's accounting policies and disclosures require the measurement of fair values, both financial and non-financial assets and liabilities.

Fair value measurements under Ind AS are categorized as below based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: Inputs other than quoted prices included in level 1 that are observable for the asset or liability, either directly or indirectly;
- Level 3: Inputs for the asset or liability that are not based on observable market data (unobservable inputs)

(d) Use of estimates and judgements

The financial statements are prepared in conformity with Ind AS, which requires management to make judgements, estimates and assumptions. This may affect the reported amount of assets, liabilities and disclosures of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

Accounting estimates are reviewed at each balance sheet date. Appropriate changes in estimates reflected in the financial statements in the period in which revisions are made and future period affected.

(e) Operating cycle for current and non-current classification

Operating cycle for the business activities of the Company covers the duration of the specific project / contract / product line / service including the defect liability period wherever applicable.

(f) Revenue recognition

A. Construction contract accounting

- a Revenue arising from construction contracts under execution is recognised in proportion to the stage of completion of work at the end of the accounting period in accordance with Ind AS - 11 Construction Contracts. Stage of completion is based on the proportion that actual contract cost/ revenue incurred to date bears to the total contract cost/revenue. Contract Revenue under Ind AS - 11 includes inventories against contracts at factory and project site / location and represents the value of the work done, not certified or not paid for by Contractees and are valued at contract price or at proportionate contract price based on the equivalent stage of completion as estimated by Management.

NOTES TO STANDALONE FINANCIAL STATEMENT FOR YEAR ENDED MARCH 31, 2018

- b The company recognises profits for projects exceeding contract value of ₹ 500 crores after execution of 7.5 % and for others after execution of 10% of contract value / stage of completion.
- c Expected loss, if any, on the project is recognised as an expense in the period in which it is foreseen, irrespective of the stage of completion of the contract
- d Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. The changes in estimates are reflected in the financial statements in the period in which changes are made.

B Other than construction contracts

a Sales of goods

Mainly consist of sale of manufactured pipes / sleepers and sale of Air Rifles, Air Pistols and Accessories and Parts and Technical Know-how.

Revenue from the sale of manufactured and traded goods is recognised when the goods are delivered and titles have been passed, provided all the following conditions are satisfied:

1. significant risks and rewards of ownership of the goods are transferred to the buyer.
2. the company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the good sold;
3. the amount of revenue can be measured reliably;
4. it is probable that the economic benefits associated with the transaction will flow to the company; and
5. the costs incurred or to be incurred in respect of the transaction can be measured reliably

b Dividend income

Dividend income from investment is recognised when the shareholder's right to receive the payment is established.

c Interest and other income

Interest income is accrued on a time basis, by reference to the principal outstanding and the applicable effective interest rate. Rental income from operating leases is generally recognised over the terms of the relevant lease. Other income is accounted for on accrual basis. Where the receipt of income is uncertain, it is accounted for on receipt basis

d Government grants and subsidies

Government Grants and subsidies are recognised when there is reasonable assurance that the conditions attached to them will be complied and grant / subsidy will be received.

(g) Property, plant and equipment (PPE)

PPE are stated at cost less accumulated depreciation, amortisation and provision for impairment of losses, if any.

Self-constructed / manufactured assets are capitalised at cost including appropriate overheads.

Capital work in progress comprises of the cost of PPE that are not yet ready for their intended use as at the reporting date.

For transition to Ind AS, the company has opted to continue with carrying values of PPE measured under IGAAP as on the transaction date and use that carrying value as the deemed cost on April 01, 2016.

(h) Depreciation and amortisation

Depreciation on the assets is provided on written down value method on pro-rata basis as per the rates prescribed in Part C of Schedule II to the Companies Act, 2013. Individual low cost assets (acquired for ₹ 5000/- or less) are depreciated fully in the year of acquisition.

Intangible assets are amortized over their respective individual estimated useful lives on a straight line basis commencing from the date the assets are available to the Company for its use.

Depreciation charge for investment property is recognised using written down value method so as to write off the cost of the investment property less their residual values over their useful lives specified in Schedule II to the Companies Act, 2013.

Depreciation charge for impaired assets is depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

The management's estimate of useful lives are in accordance with the Schedule II of the Companies Act, 2013, other than following asset, based on the Company's expected usage pattern :

Asset	Useful life
Mould	9 years

NOTES TO STANDALONE FINANCIAL STATEMENT FOR YEAR ENDED MARCH 31, 2018

(i) Investment property

Properties held to earn rentals and / or capital appreciation are classified as investment property and measured and reported at cost less: depreciation and provision for impairment of losses if any, including transaction costs.

(j) Intangible assets

Intangible assets are recorded at the consideration paid for acquisition of such assets and are carried at cost less accumulated amortization and provision for impairment of losses, if any.

(k) Impairment of assets

The carrying amounts of assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal/external factors.

An impairment loss will be recognised wherever the carrying amount of an asset exceeds its estimated recoverable amount. The recoverable amount is greater of the asset's net selling price and value in use. In assessing the value in use, the estimated future cash flows are discounted to the present value at the weighted average cost of capital. After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life. Previously recognised impairment loss is further provided or reversed depending on changes in circumstances.

(l) Research and development

Revenue expenses on research and development are charged to Statement of Profit & Loss and Capital Expenditure are included in property, plant and equipment under relevant assets and depreciated on the same basis as other property, plant and equipment.

(m) Employee benefits

A Defined contribution plan

- a Company's Contribution paid/payable during the year to Provident Fund, ESIC and Labour Welfare Fund are charged to Statement of Profit & Loss. There are no obligations other than the contribution payable to the respective trusts.
- b Provident Fund: The eligible employees of the Company are entitled to receive benefits under the provident fund, a defined contribution plan, in which both employees and the company make monthly contributions at a specified percentage of the covered employees salary. The contributions as specified under law are paid to provident fund and pension fund set up as irrevocable trust by the Company or to respective Regional Provident Fund Commissioner and the Central Provident Fund under the State Pension Scheme. The Company is generally liable for annual contributions and any shortfall in the fund assets based on government specified minimum rates of return of provident fund and recognises such contributions and shortfall, if any, as an expense in the year incurred.

B Defined benefit plan

- a Provident fund: In respect of certain employees covered by the Employees Provident Fund, the contributions towards shortfall in interest rate payable as per statute and the earnings of the Provident Fund Trust is considered as Defined Benefit Plan and debited to Statement of Profit and Loss.
- b Gratuity and leave encashment: Company's liabilities towards gratuity and leave encashment are determined using the projected unit credit method which considers each period of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation. Past Services are recognised on a Straight Line basis over the average period until the amended benefits becomes vested. Actuarial gain and losses are recognised immediately in the statement of Profit and Loss as Income or Expense.
- c Obligation is measured at the present value of estimated future cash flows using a discount rate that is determined by reference to market yields at the Balance Sheet date on Government bonds where the currency and terms of Government Bonds are consistent with the currency and estimated terms of the defined benefit obligation.

C Other benefits

Compensated absences for sick leave are provided for based on actuarial valuation. The actuarial valuation is done as per projected unit credit method.

(n) Leases

Lease rentals in respect of assets acquired under operating lease are charged to Revenue.

(o) Financial instruments

Financial assets and / or financial liabilities are recognised when the Company becomes party to the contractual provisions of the financial instruments.

A. Financial assets

a. Initial recognition

In the case of financial assets, not recorded at fair value through profit or loss (FVPL), financial assets are recognised initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e. the date that the Company commits to purchase or sell the asset.

b. Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets is included in finance income using the effective interest rate ("EIR") method. Impairment gains or losses arising on these assets are recognised in the Statement of Profit and Loss.

Financial assets measured at fair value

Financial assets are measured at fair value through OCI if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the Statement of Profit and Loss. In respect of equity investments which are not held for trading, the Company has made an irrevocable election to present subsequent changes in the fair value of such instruments in OCI. Such an election is made by the Company on an instrument by instrument basis at the time of transition for existing equity instruments / initial recognition for new equity instruments. Financial asset not measured at amortised cost or at fair value through OCI is carried at FVPL.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies the expected credit loss ("ECL") model for measurement and recognition of impairment loss on financial assets and credit risk exposures. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables and contract work-in-progress. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

ECL is the difference between after contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all cash shortfalls), discounted at the original EIR. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL impairment loss allowance (or reversal) recognised during the period is recognised as income/ expense in the Statement of Profit and Loss.

B Financial Liabilities

All financial liabilities including loans and borrowings are measured at amortised cost. A financial liability is derecognised when the related obligation expires or is discharged or cancelled.

Financial liabilities issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability.

C Equity Instruments

Equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments which are issued for cash are recorded at the proceeds received, net of direct issue costs. Equity instruments which are issued for consideration other than cash are recorded at fair value of the equity instrument.

(p) Inventories

The stock of raw materials, stores, bought outs and fuel are valued at cost on FIFO basis or net realisable value whichever is lower.

Certain items of Pipe Laying and Auxiliary Equipment are classified as Current Assets and 95% of their original cost is amortised equally over a period of five years.

Finished Goods including bought-out items not allocated to any particular contracts are valued at lower of cost on absorption method or net realisable value.

Uncovered finished pipes lying at Factory are devalued @25% annually.

Goods-in-process are valued at cost or net realisable value whichever is lower.

Products of the National Rifle Division are valued as follows:

- a. The Stock of Raw Materials, Stores, Bought outs and fuel are stated at cost on FIFO basis or net realisable value whichever is lower.
- b. Finished goods are valued at lower of cost or net realisable value and are inclusive of relevant estimated excise duty.

Stock in trade of land is valued at cost or net realisable value whichever is lower.

(q) Earnings per share

In determining operating and total earnings per share, the Company considers the operating net profit after tax and effect of any extra ordinary items (net of tax). The number of shares used in the computing basic earnings per share is the weighted average number of shares outstanding during the period.

(r) Taxation

Income Tax expenses comprise of current tax, deferred tax charge/credit. Current Tax is recognised on the basis of taxable income determined in accordance with the provision of the Income Tax Act, 1961.

The deferred tax credit/charge is recognised on all timing differences subject to consideration of prudence, applying the tax rates that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets. Deferred tax assets/liabilities are reviewed as at each Balance Sheet date based on developments during the year and available case law to re-assess realisation/liabilities.

(s) Contingencies and provisions

A provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources embodying economic benefit will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate of the expenditure required to settle the obligation at the balance sheet date.

These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimate. A contingent liability is disclosed, unless the possibility of an outflow of resources embodying the economic benefit is remote. Contingent liabilities are disclosed after careful evaluation of the facts and legal aspects of matter involved.

Contingent assets are neither recognised nor disclosed.

(t) First time adoption of Ind AS

The Company has adopted Ind AS with effect from 1st April, 2017 with comparatives being restated. Accordingly the impact of transition has been provided in the Opening Reserves as at 1st April, 2016 and all the periods presented have been restated accordingly.

A. Exemptions availed on first time adoption of Ind AS 101:

On first time adoption of Ind AS, Ind AS 101 allows certain exemptions from the retrospective application of certain requirements under Ind AS. The Company has availed the following exemptions:

NOTES TO STANDALONE FINANCIAL STATEMENT FOR YEAR ENDED MARCH 31, 2018

- a. Under Ind AS 109, at initial recognition of a financial asset, an entity may make an irrevocable election to present subsequent changes in the fair value of an investment in an equity instrument in other comprehensive income. Ind AS 101 allows such designation of previously recognized financial assets, as 'fair value through other comprehensive income' on the basis of the facts and circumstances that existed at the date of transition to Ind AS.

Accordingly, the Company has designated its investments in certain equity instruments at fair value through other comprehensive income on the basis of the facts and circumstances that existed at the date of transition to Ind AS.

- b. On transition to Ind AS, the Company has opted to continue with the carrying values measured under the previous GAAP as at 1 April 2016 of its Property, Plant and Equipment and use that carrying value as the deemed cost of the Property, Plant and Equipment on the date of transition i.e. 1 April 2016.

B. Exceptions:

The following mandatory exceptions have been applied in accordance with Ind AS 101 in preparing the financial statements:

- a. Estimates

The estimates as at 1 April 2015 and 31 March 2016 are consistent with those made for the same dates in accordance with previous GAAP (after adjustment to reflect and differences if any, in accounting policies) apart from the following items where the application of previous GAAP did not require estimation:

- (i) Impairment of financial assets based on the expected credit loss model;
- (ii) Investments in equity instruments carried as FVPL or FVOCI.

The estimates used by the Company to present the amounts in accordance with the Ind AS reflect conditions that existed at the date on transition to Ind AS.

- b. The Company has classified the financial assets and liabilities in accordance with Ind AS 109 on the basis of facts and circumstances that existed at the date on transition to Ind AS.

Notes:

- The fair value of the Company's investment properties as at March 31, 2018, March 31, 2017, and April 1, 2016 have been arrived at on the basis of a valuation carried out as on the respective dates by Mr. Pravin Shaha, independent valuer not related to the Company, having appropriate recognised professional qualifications and experience in the category of the property being valued.
- Valuation technique and key inputs used to determine the fair value :
Level 3 - Fair valuation of residential premises has been done by Sales Comparison Method under Market Approach for March 2018 and March 2017. A comparison is made for the purpose of valuation with similar properties that have recently been sold in the market and thus have a transaction price. The sales comparison approach is the preferred approach when sales data are available. Comparable properties are selected for similarity to the subject property considering attributes like age, size, shape, quality of construction, building features, condition, design, gentry, etc. Finally a market value for the subject property is estimated from the adjusted sales price of the comparable properties.
Fair valuation of free hold lands is based on government rates, market research, marked trends and comparable values as considered appropriate.
- During the year freehold lands amounting to fair value of ₹ 16,846.70 lakhs have been classified as investment property.

In accordance with Ind AS 109, the Company has used the practical expedient by computing the expected credit loss allowance for trade receivables by following simplified approach. The expected credit loss model takes into account historical credit loss experience and adjusted for forward looking information. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

The Company's customer profile includes government departments and large private corporates. Accordingly, the Company's customer credit risk is low. The Company's average project execution cycle is around 36 to 60 months.

General payment terms include mobilisation advance, monthly progress payments and certain retention money to be released at the end of the project. In some cases retentions are substituted with bank guarantees.

The Company has a detailed review mechanism of overdue customer receivables at various levels within organisation to ensure proper attention and focus for realisation.

There are no trade receivables due from any director or any officer of the Company, either severally or jointly with any other person, or from any firms or private companies in which any director is a partner, a director or a member.

* In respect of certain 'Works Contracts' executed in earlier years in the State of Rajasthan, the Company had paid sales tax using Exemption Fee (Composition) Scheme under Rajasthan Sales Tax Law on such 'Works Contracts' based on certain rules notified under the Sales Tax Act then prevailing. The Sales Tax Department had since challenged the Company's position and claimed that such 'Works Contracts' be treated as a divisible contracts and be subjected to tax component-wise and had accordingly raised a demand, which was challenged by the Company. The Company had also filed a Special Leave Petition with the Hon'ble Supreme Court, against the common final judgment Order dated February 13, 2015 passed by the Hon'ble High Court of Rajasthan. Subsequently the Hon'ble Supreme Court rejected the appeal filed by the Company by Order dated August 28, 2017. The Company, based on legal advise, has filed an application seeking recall of the said order. Pending outcome of the 'recall application', on a prudent basis, the Company has made a provision of ₹ 3033 lakhs against sales tax demand (including interest thereon of ₹ 2132 lakhs) For admission of recall petition, hearing in Hon'ble Supreme Court of India is expected shortly.

- **
- The Company has incurred CSR Expenditure of ₹180.88 lakhs (31st March 2017 ₹100.00 lakhs).
 - The areas for CSR activities undertaken by the Company are Health, Medical aid, and Education grants etc. The Company has formed its CSR Committee as per the Act and Rules thereon.
 - The contribution for CSR activities to corpus of Ratanchand Hirachand Foundation, a Section 8 Company promoted by the Promoters of the Company for undertaking CSR activities on behalf of the Company as per CSR Policy read with Schedule VII of the Act.
 - As per section of 135 of the Companies Act, 2013 (the Act) a company meeting the applicability threshold, needs to spend at least 2% of its average net profit for the immediately preceding three financial years (calculated in accordance with the provisions of Section 198 of the Act) on corporate social responsibility (CSR) activities/programs in terms of its CSR policy and Schedule VII of the Act. The report on CSR activities and CSR expenditure incurred by the Company for the Financial Year 2017-18 is given in the Board's Report.

2.38 Note on capital management and financial risk management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The Company strives to safeguard its ability to continue as a going concern so that it can maximise returns for the shareholders and benefits for other stake holders. The aim to maintain an optimal capital structure and minimize cost of capital.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may return capital to shareholders, issue new shares or adjust the dividend payment to shareholders (if permitted) consistent with others in the industry.

Capital Structure of the Company is as follows:

	As at March 31, 2018	As at March 31, 2017	As at April 1, 2016
₹ in lakhs			
Debt funds *			
Long term borrowings	266.46	815.65	1,364.79

Own funds	45,309.23	40,010.48	30,641.39

* Debt includes long term, short term borrowings and current maturities of long term borrowings

The Company maintains following ratios:

	As at March 31, 2018	As at March 31, 2017	As at April 1, 2016
₹ in lakhs			
Total debt to total equity	0.75	0.67	1.03
Long term debt to total equity	0.01	0.02	0.04
Short term debt to total equity	0.74	0.65	0.99
Capital gearing ratio	1.33	1.49	0.96

The Company's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

1 Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk. Major financial instruments affected by market risk includes loans and borrowings.

(i) Interest rate risk

The Company is working capital intensive and is rated in "A" band category due to which it is in a position to negotiate competitive pricing for its working capital requirement from Consortium member banks and also from outside consortium banks. The Company avails funds from the banks for a committed / fixed rate of interest for a longer tenure and as such the exposure of the Company towards interest rate volatility is minimized. With regard to Term Loan, exposure of the Company is insignificant and hence does not pose much threat towards unforeseen and unprecedented & volatile interest risk.

(ii) Foreign currency risk

The Company has very few and small value transaction in foreign currency hence the Company is exposed to limited foreign exchange risk. Nonetheless, the Company evaluates exchange rate exposure arising from foreign currency transactions and follows established risk management policies.

Sensitivity analysis

The Company's exposure in foreign currency is not material and hence the impact of any significant fluctuation in the exchange rates is not expected to have a material impact on the operating profits of the Company.

(iii) Equity price risk

The Company's listed and non-listed equity securities are susceptible to market price risk arising from uncertainties about future values of the investment securities. The Company manages the equity price risk through diversification and by placing limits

As at 31 March 2018, the exposure to listed equity securities at fair value was ₹ 213.77 lakhs. These changes would not have a material effect on the profit or loss of the Company.

NOTES TO STANDALONE FINANCIAL STATEMENT FOR YEAR ENDED MARCH 31, 2018

2 Credit Risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The maximum exposure of the financial assets are contributed by trade receivables, unbilled work-in-progress, cash and cash equivalents.

- Credit risk on trade receivables and unbilled work-in-progress is limited as the customers of the Company mainly consist of the government entities having a strong credit worthiness. For other customers, the Company normally secures recoverability of dues by means of getting letters of credits established on first class banks in favour of the Company if the material is sold on credit or against receipt of advances from the customers for such supplies and unbilled work-in-progress.
- Credit risk on cash and cash equivalents is limited as the Company invest in deposits with banks mainly for the purpose of offering EMDs for the tenders floated by prospective customers.

Exposure to the credit risk of the Company is as follows:

	₹ in lakhs		
	As at March 31, 2018	As at March 31, 2017	As at April 1, 2016
Trade Receivables	48,827.57	41,500.75	35,198.86
Project work in progress	73,696.74	53,646.27	38,956.44
Total exposure to credit risk	<u>1,22,524.31</u>	<u>95,147.02</u>	<u>74,155.30</u>

In accordance with Ind AS 109, the Company has used the practical expedient by computing the expected credit loss allowance for trade receivables by following simplified approach. The expected credit loss model takes into account historical credit loss experience and adjusted for forward looking information. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

Movement during the year	65.70	55.32
Balance at the year end	<u>378.53</u>	<u>312.83</u>

3 Liquidity Risk

Liquidity is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's finance department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management.

Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

NOTES TO STANDALONE FINANCIAL STATEMENT FOR YEAR ENDED MARCH 31, 2018

D Through its gratuity fund and leave plans the Company is exposed to a number of risks, the most significant of which are detailed below -

Interest risk

A decrease in the bond interest rate will increase the plan liability; however, In case of gratuity fund, this will be partially offset by an increase in the return on the fund's assets

Longevity risk

The present value of Gratuity fund and leave plan liability is calculated by reference to the best estimate of the mortality of plan participants. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk

The present value of the Gratuity fund and leave plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

Investment risk

Funded plans being managed by insurers, the value of assets certified by the insurer may not be the fair value of instruments backing the liability. In such cases, the present value of the assets is independent of the future discount rate. This can result in wide fluctuations in the net liability or the funded status if there are significant changes in the discount rate during the inter-valuation period.

E Accumulated compensated absences (non vesting)

Actuarial valuation of sick leave has been made on March 31, 2018. Gain in respect of this benefit is ₹ 9.07 lakhs recognised in financial year ending March 31, 2018. 2.45 Standards issued but not yet effective:

In March 2018, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) (Amendments) Rules, 2018, notifying Ind AS 115 - 'Revenue from Contracts with Customers' and consequential amendments to various Ind AS standards. The amended Rules also notified amendments to Ind AS 12 - 'Income Taxes', Ind AS 21 - 'The Effect of Changes in Foreign Exchange Rates', Ind AS 28 - 'Investments in Associates and Joint Ventures' and Ind AS 40 - 'Investment Property'. These amendments are in accordance with the recent amendments made by International Accounting Standards Board (IASB). The amendments are effective from accounting periods beginning from 1st April, 2018.

a Ind AS 115 - 'Revenue from Contracts with Customers':

On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Ind AS 115, Revenue from Contract with Customers. The core principle of the new standard is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Further the new standard requires enhanced disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

The standard permits two possible methods of transition:

- Retrospective approach - Under this approach the standard will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8- Accounting Policies, Changes in Accounting Estimates and Errors
- Retrospectively with cumulative effect of initially applying the standard recognized at the date of initial application (Cumulative catch - up approach) The effective date for adoption of Ind AS 115 is financial periods beginning on or after April 1, 2018.

The Company is currently assessing the impact of application of Ind AS 115 on Company's financial statements.

b Amendment to Ind AS 12 - 'Income Taxes':

The amendments clarify the requirement for recognising deferred tax assets on unrealised losses on debt instruments that are measured at fair value. The amendment also clarify certain other aspects of accounting for deferred tax assets. The changes will not have any material impact on the financial statements of the Company.

c Amendment to Ind AS 40 - 'Investment Property':

The amendments clarify transfers of investment property to or from the portfolio in the case of a change of use. The changes will not have any material impact on the financial statements of the Company.

2.46 Reconciliation of total equity as at March 31, 2017 and April 01, 2016

1 **Ind AS 101 (First-time Adoption of Indian Accounting Standards) provides a suitable starting point for accounting in accordance with Ind AS and is required to be mandatorily followed by first-time adopters. The Company has prepared the Opening Balance Sheet as per Ind AS of April 01, 2016 (the transition date) by :**

- a recognizing all assets and liabilities whose recognition is required by Ind AS,
- b not recognizing items of assets or liabilities which are not permitted by Ind AS,
- c reclassifying items from previous Generally Accepted Accounting Principles (GAAP) to Ind AS required under Ind AS, and
- d applying Ind AS in measurement of recognized assets and liabilities.

The impact of transition has been provided in the Opening Reserves as at April 01, 2016. (Refer note 2B below)

2 **A. Reconciliation of total comprehensive income for the year ended March 31, 2017 is summarised as follows:**

NOTES TO STANDALONE FINANCIAL STATEMENT FOR YEAR ENDED MARCH 31, 2018

Notes

- 3 Ind AS 101 mandates certain exceptions and allows first-time adopters exemptions from the retrospective application of certain requirements under Ind AS. The Company has applied the following exemptions in the financial statements:
- Property, plant and equipment and intangible assets were carried in the Balance Sheet prepared in accordance with previous GAAP on March 31, 2016. Under Ind AS, the Company has elected to regard such carrying values as deemed cost at the date of transition.
 - The Company has recognised loss allowance on trade receivables at the date of transition and at each reporting date thereafter based on lifetime expected credit losses.
- 4 In addition to the above, the principal adjustments made by the Company in restating its previous GAAP financial statements, including the Balance Sheet as at April 01, 2016 and the financial statements as at and for the year ended March 31, 2017 are detailed below :
- Under previous GAAP, actuarial gains and losses related to the defined benefit schemes for gratuity and pension plans and liabilities towards employee leave encashment were recognized in profit or loss. Under Ind AS, the actuarial gains and losses form part of remeasurement of the net defined benefit liability / asset which is recognised in OCI. Consequently, the tax effect of the same has also been recognised in OCI instead of profit and loss.
 - Under previous GAAP, non-current investment in equity instruments were stated at cost. Where applicable, provision was made to recognize a decline, other than temporary, in valuation of such investments. Under Ind AS, financial assets in equity instruments (other than investment in subsidiaries, joint ventures and associates) have been classified as fair value through OCI through an irrevocable election at the time of transition.
 - Material adjustments to the Balance Sheet on adoption of Ind AS as at March 31, 2017:

Particulars	Previous GAAP	Reclassification adjustment	₹ in lakhs
			As per Ind AS
Property, Plant and Equipment	7,739.10	741.49	6,997.61

Material Adjustments to the Balance Sheet on Adoption of Ind AS as at April 01, 2016:

Particulars	Previous GAAP	Reclassification adjustment	₹ in lakhs
			As per Ind AS
Property, Plant and Equipment	7,266.35	771.76	6,494.59

- There are no material adjustments to the Statement of Cash Flows as reported under the previous GAAP.
